

“ Meet Vic ”

On track to earn \$200,000 this year!

Hi, my name is Vic, and I work for Newstart Homes as a Display Home Consultant and have done for the last 6 years. It's true, I am on track to earning \$200,000 this year and in 1 month alone I earned \$40,000!

It's not rocket science - I am just a modest type of guy who used to work on air-conditioning systems. It's quite simple really - I just get the job done, keep up to speed on construction and product knowledge and offer excellent customer service. Oh, and I don't accept excuses like typical sales consultants do. Needless to say, my earnings speak for themselves and if I can do it – so can you!

The future for me is so exciting, particularly now Newstart Homes we will be launching nearly 30 more new and exciting designs, including some great 2 storey plans.

I love my job, am truly appreciated, supported by management and rewarded for my efforts. So if you think you're good enough to join me at the top, work with a terrific company and have a “can do” diligent, tenacious and ethical attitude - then please get your resume to my manager ASAP. Ideally, it would be good if you can read plans or have done this type of work before, but if not – don't let that deter you from applying.

We have 7 opportunities available in Brisbane and Gold Coast.

Send your application to: Glenn Munday, Senior Sales Manager - gunday@newstart.com.au no later than **Friday 10th October 2008**.
